

# Happy Day Learning Center

*A ministry of Calvary Temple International Assembly*

Dear Parent/Guardian,

It's been said, "A picture is worth a thousand words." Pictures tell a story. Happy Day Learning Center, and Happy Day Summer Camp want to share our story. We truly believe our school is making a difference in the lives of children and their families. We want others to know that we are dedicated to "educating students to realize their God-given potential."

Throughout the year, your child(ren) may be photographed or videotaped by members of our staff or local media. These photos may be used for class projects, school newsletters and brochures, the school website, or sent to the local newspaper. Below you will find a parental consent for this purpose. In addition, by signing this consent form you are granting permission for the administration to use a photo(s) of your child(ren) for the purpose of promoting the school and camp and its mission. Please know that for the safety of our students, names will not be published.

Please sign and return the form below to the office upon registration. If we do not hear from you, we will assume you are not opposed to having your child's photo or image used. If at any time you choose to reverse your decision, please notify the office in writing.

Thank you for your cooperation and prompt attention to this matter.
